Dear Mr. Good:

The Department of Defense (DoD), Freedom of Information Division, Office of Litigation Support, is providing the final response to your March 3, 2016, Freedom of Information Act (FOIA) request to the OSD/JS FOIA Requester Service Center. That request was assigned FOIA case number 16-F-0690, now FOIA litigation case number 16-L-0690 (civil action 16-cv-01256-EGS).

We previously provided you with an interim response dated January 25, 2017, which answered items #1, #2 and #5 of your reformulated request and provided a partial response of 486 pages for items #3 (statistics relating to prepublication review) and #4 (title, subject, dates of works submitted and outcome). We explained that we had elected to respond to items #3 and #4 with charts/spreadsheets and noted that we were still processing additional records to be provided at a later date. Enclosed are the remaining records for items #3 and #4 which consist of 2,445 pages of charts/spreadsheets. It was determined that certain information in the enclosed records is exempt from release under the FOIA and is withheld pursuant to 5 U.S.C. § 552. Specifically, information is withheld under FOIA exemption (b)(6) which pertains to information which constitutes a clearly unwarranted invasion of an individual's personal privacy. Appellate rights are moot as this request is currently in litigation.

Sincerely,

A handwritten signature in black ink, reading "Paul J. Jacobsmeyer", is positioned above the typed name.

Paul J. Jacobsmeyer
